

# Raton Food Co-op

The Raton Food Co-op was started to provide better food and better choices to those who are interested in fresh food, with an emphasis on organic foods.

The food is ordered through LauraLee, LLC dba as Patchwork Phoenix, from Shamrock Foods, the supplier of the ice cream at Patchwork Phoenix. The quality of food is excellent and can be delivered weekly or even twice a week, if there are enough orders.

Patchwork Phoenix must meet the bulk order requirements of at least 15 cases, but individuals may order as little as desired. The items will be ordered once the sum of each item requested by individuals meets the bulk order requirement. If the bulk order requirement is not met, the individual orders will be held until the requirement is met. As of today, Monday, January 8, 2018, we have been able to place and receive a bulk order every week. With the increase in membership, additional food can be available and minimums are more easily met.

Annual membership is \$20. Individual orders must be placed by Wednesdays at 4:00 PM, and the order will be received and can be picked up at Patchwork Phoenix on Fridays of the same week.

Attached is the membership form. Please submit to Patchwork Phoenix.

Thanks for your interest!
